Beer and Wine Sales

Mr. Merrill asked if the applicant was present. Mr. Chris Metzler made the presentation; he gave a brief history of the company and noted that many of his customers have inquired as to when he would be obtaining his alcohol license. He noted

that some customers even went so far as inquire on "brown bagging" their own alcohol. He stated that the majority of his customers would like a dining establishment within walking distance to their homes that serves alcohol so they would not need to drive elsewhere for this service.

Mr. Merrill called for opposition.

Ms. Cheryl Jock, a resident of the Bellbrook subdivision, spoke in opposition. Her concern was for the children who attend the daycare and karate school in close proximity to Fox's Den Pizza.

Mr. Metzler rebutted. He provided a survey that had been performed showing distances from Fox's Den Pizza to all neighboring churches and schools and noted that child daycares are not included in this requirement.

Mr. Merrill then asked for the Planning Departments recommendation. Mr. Ferguson stated that the Planning Departments recommendation was for approval. After much discussion Mr. Roberts made a motion for approval, it was seconded by Mr. Moore. The motion carried 2-1 (Mr. Childers)

3. The next item on the agenda was discussion and amendment to the Zoning Ordinance Article X concerning signs. Mr. Merrill stated that there was confusion as to why this item was on the agenda because the amendment was approved in last months meeting and had not been denied by the City Council in their meeting. Mr. Merrill called for a motion to table and the motion was made by Mr. Roberts. The motion was seconded by Mr. Childers; passed 3-0

4. The next item on the agenda was a review of uses that require special use permits. Mr. Merrill stated that at the previous months meeting the Planning Commission had reviewed the zoning districts through the BG classification. Mr. Merrill made a recommendation that this item be tabled since the Planning Director, Mr. Brad Leonard, was absent. There was some discussion and Mr. Moore made a motion to table the item; seconded by Mr. Roberts. The motion carried 3-0
